OBJECTIVE

Motivated Information Technology major seeking an internship in cybersecurity or IT support where I can apply my knowledge in networking, databases, and security while gaining hands-on experience supporting real-world systems.

EDUCATION

Winston-Salem State University, Winston-Salem, NC

Bachelor of Science in Information Technology

Expected Graduation: December 2026

- Dean's List (2023–2025)
- National Honors Society

SKILLS

- Programming: Java, Python, SQL, MIPS Assembly, CSS
- Technical: Networking, Cybersecurity Fundamentals, Database Management, Microsoft Excel
- Soft Skills: Critical Thinking, Communication, Team Leadership, Time Management

EXPERIENCE

IT support specialists

Winston-Salem State University IT Department | Jan 2026 – Present

- Provided technical support to students, faculty, and staff for hardware, software, and network-related issues.
- Diagnosed and resolved computer, printer, and classroom technology problems in a timely manner.
- Assisted with account management, including password resets and system access support.
- Installed, configured, and updated operating systems and educational software.
- Documented support requests and solutions using a ticketing system to ensure accurate tracking and follow-up.

PROJECTS & ACHIEVEMENTS

- Participated in a nationwide hackathon, earning **2nd Place (Judges' Vote)** and **1st Place (People's Choice Award)**
- Developed problem-solving and teamwork skills by collaborating in high-pressure, real-world scenarios

LEADERSHIP & ACTIVITIES

- Senior Class Secretary (2025–Present)
- Member, Beta Iota Chapter of Alpha Phi Alpha Fraternity, Inc.
- Rams Hope Mentoring Group (2024–Present)
- Volunteer, Winston-Salem State University Computer Science Department (2024–Present)
